Daily Schedule: Vacation camps are full of exciting enrichment opportunities, outdoor play, field trips, and more! A detailed newsletter and daily schedule will be sent to families at least 3 weeks prior to the start of camp, which will include all relevant contact information, location, field trips etc.

Billing Policy: Families may sign up for as many vacation camp days as they need as soon as enrollment opens. At the time of registration, families will need to select a payment option. The first option is to **pay-in-full**. The second is a **payment plan** option which will include a \$5/day deposit due up front. The card used for this down payment will be automatically charged for the remaining balance **three weeks** before the start of each camp. If you register for a vacation camp within the three week period, full payment is required at the time of registration. See chart on back for billing dates.

***For families who currently receive Childcare Financial Assistance (State Subsidy):** Families may register for as many days as needed with no upfront charge. The vacation camp co-pay will be calculated within 2 weeks of the conclusion of a vacation camp and is due within two weeks after that. A subsidy certificate must be received three weeks before a vacation camp begins to hold a spot in the camp. **Please make sure to note the location of the necessary certificate when contacting Childcare Resource.**
